Applications are invited for a locum tenens position in anatomical pathology which will be available from March 1 2016 -March 1 2017.

The successful candidate will join a group of 3 other pathologists based at the Queensway Carleton hospital site. This site provides a wide range of anatomical pathology and cytopathology services that includes a large breast, GU and colorectal volume.

Minimum requirements include an M.D. degree, a license to practice in Ontario, Royal College of Physicians (Canada) certification in Anatomical Pathology, and at least 3 years of anatomical pathology practice. The competition will remain open until the position is filled.

About EORLA:
EORLA operates 18 acute-care, hospital-based clinical laboratories across the Champlain Local Health Integration Network (CLHIN) of Eastern Ontario.

EORLA’s Division of Anatomical Pathology operates out of 4 regional adult hospitals and 1 pediatric hospital, annually processing and reporting 150,000 surgical pathology specimens, 25,000 cytology specimens and 150 non-forensic autopsies.

A total of 42.5 FTE pathologists provide interpretive and consulting services using a single regional anatomical pathology information system.

Practice Location:
The practice locations for this position will be at the Queensway Carleton Hospital (QCH) in Ottawa.

About Ottawa:
Ottawa is the national capital of Canada and the fourth largest city in Canada. An affordable cosmopolitan, multicultural city, Ottawa is built for outdoor enthusiasts. It has more engineers and scientists per capita than any other city in Canada.

This advertisement is directed primarily, but not solely to citizens or permanent residents of
Canada. Women, aboriginal people, members of visible minorities and persons with disabilities are encouraged to apply. Bilingualism is an asset but not a necessity.
